Dear Madam,

I, Omar, Writing this letter to introduce myself to you. I am applying for the job as System Support(System Maintenance and Server Maintenance), Programmer, Web Designer in your esteemed institution. I have just cleared my Bachelor Degree in Information Technology from Saint Louis College, La Union Branch. I have 5 years Experience in IT industry. This includes system supports and programming.

The job shall help me get the foundation for the career which I have been longing for, I am skilled in communication, and can adapt to the given context within no time. I am capable of coping with any amount of work pressure and still can deliver the desired results.

My resume have been enclosed along with this letter. I looked forward for the meeting and association with your esteemed company.

Yours faithfully,
Omar Boado
